Dear LHSRA Supporter:

The Louisiana High School Rodeo Association, a charter member of the National High School Rodeo Association, has been providing competitive rodeo experiences to the youth of Louisiana for 76 years and has produced numerous professional, collegiate, high school and junior high school champions. For many, the Louisiana Junior High and High School Finals are equivalent to the National Finals Rodeo. Please consider contributing to our 2026 State Finals as we keep the sport of rodeo alive for our cowboys and cowgirls. We hope to see you at Burton Coliseum, May 21 – May 30, 2026.

In gratitude for your generosity,  
Josh Martin  
LHSRA President
